## **INNOVATIVE HIGH-PERFORMANCE BAND SAW BLADES FOR ALMOST ALL APPLICATIONS**

WIKUS stands for precision, quality and very high performance. Since 1958, we have been guaranteeing the highest-possible standards in the manufacture of our high-technology sawing tools by utilising the best materials, state-of-the-art manufacturing processes and ongoing quality controls. At the same time we set product and technology trends in the market with our innovative prowess.

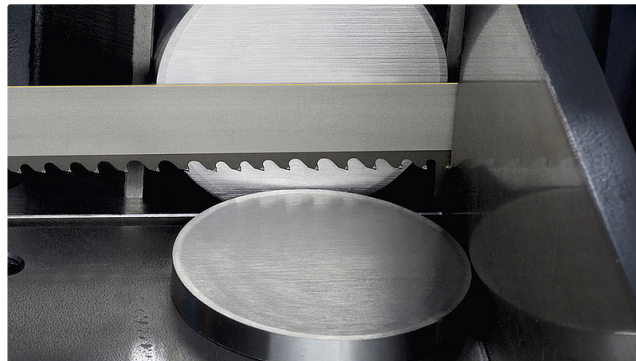

## Bimetal Band Saw Blades

Optimum product portfolio for standard and special applications.

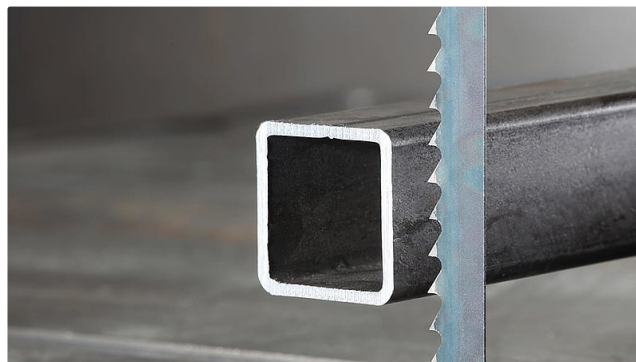

## Coated Band Saw Blades

For special applications, such as very hard, highly abrasive materials and alloys, natural stone and technical glass.

## Carbide Band Saw Blades

To increase cutting output and productivity.

## Carbon Steel Band Saw Blades

For basic workshop operations.
